

Planting Independence - One Yard at a Time!

Saturday, April 22, 2017

8:00 am - Until finished

**Location: A TWP consumer's home
in one of several pre-selected areas**

The Whole Person is partnering with volunteer groups to perform low to moderate risk activities such as mowing, raking, weeding, and planting at the homes of the people who receive our services. *(Excluded activities are lifting over 50 lbs, cutting down tree limbs or handling or removing any hazardous material.)*

Yard maintenance can be a tough situation for people with disabilities. This activity with our volunteers helps TWP Consumers get a handle on their yards and avoid unnecessary fines from the city where they live.

This is an excellent volunteer opportunity for individuals, families, clubs, schools, scouts, organizations, and businesses who are looking for an activity to give back, be outdoors, and serve individuals in our community that live with disabilities.

VOLUNTEER GROUPS NEEDED!!

Please contact Kelly Grooms at 816-627-2232 (or email to kgrooms@thewholeperson.org) by March 31 if your group would like to provide support with our "Planting Independence" initiative.

One person from your group will be required to attend an Information Session on Wednesday, April 19th at 5:30pm at The Whole Person to receive details about your assignment and details about the project guidelines.

Each group will be asked to provide their own tools for the yard clean-ups. The Consumer may have some tools to use. We will identify them when we do a site visit. TWP will provide a small welcome kit for each assignment which will include water and snacks which will be distributed at the Information Session on April 19.

Would your group like to help?
