

## The Whole Person's Blindness Low Vision Experience – March/April

Greetings from The Whole Person's Blindness Low Vision Experience, where individuals enjoy opportunities to achieve greater independence and access to the community through physical and outdoor activities, art and cultural events and any other experiences we can arrange – the sky's the limit!

Spring has sprung, I guess, unless winter comes back to confuse us about the weather again. I am wearing big furry winter boots today, and what a mistake that was!

As I assemble TWP's BLVE March Madness edition, it is almost time to bowl with the **KC Chapter of the Missouri Rehabilitation Association in its annual Bowl-A-Thon fundraiser on March 25, and we are still recruiting for a blind bowler or two. TWP can provide transportation, so please let me know at your earliest convenience if you are interested or willing to be on standby.**

Our first tandem ride of the season will take place on Saturday afternoon, April 8, thanks to our fabulous partnership with BikeWalkKC. Details will be shared with confirmed event participants, so be sure to let me know if you want to peddle with us.

There is still time to sign up for a spot on our team for CCVI's April 30 Trolley Run, so don't forget to let me know if you will be joining us for that one. You can walk or run – the more the merrier!

If you are interested in signing up for events, would like to volunteer or have questions and ideas for The Whole Person's Blindness Low Vision Experience, please contact Sheila Styron at 816-627-2217 or [ssstyron@thewholeperson.org](mailto:ssstyron@thewholeperson.org). Please carefully read the events listings below, as times and locations for familiar activities may change, and it is important to let me know if you need to cancel.
