SWOPE SOCCER VILLAGE

The Victory Project, The Whole Person and Mobility First are proud to host the 7th annual Soccer For All Clinic. Through this partnership, we have designed a clinic that teaches the sport's basics in an interactive manner, highlighting the ways soccer can be adapted to give individuals of all abilities the opportunity to play in a fun and inclusive environment. Regardless of whether participants' disabilities are intellectual, physical, developmental, vision-related or hearing-related, **EVERYONE CAN PLAY!**
