

ARCHERY

with Mission Parks + Recreation

Archery began thousands of years ago. In addition to gathering roots, leaves, berries, and nuts, humans desired to include wild game in their diet. When the bow was invented to launch arrows, hunger was more easily defeated. Today, millions around the world turn to archery for exercise, recreation, challenge, competition, and relaxation.

Archery is an activity in which people from all walks of life and almost every size and ability can participate. Once one enjoys the thrill of archery success, they realize they can accomplish many things with proper instruction, practice, and a positive attitude!

Where? Powell Community Center,
Court 2 - Racquetball Courts

When? Saturday September 17,
1 - 3pm

Who? All skill levels welcome!
(Ages 9+)

What? We will be offering two areas for instruction. One space will be a Family Area for beginners, younger kids, and families. The other space will be an Adaptive Area for varying archery skill levels.
