

INFORMATION FROM THE IRS WEBSITE REGARDING PAYMENTS:

Q: I am not typically required to file a tax return. Can I still receive my payment?

A: Yes. The IRS will use the information on the Form SSA-1099 or Form RRB-1099 to generate Economic Impact Payments to recipients of benefits reflected in the Form SSA-1099 or Form RRB-1099 who are not required to file a tax return and did not file a return for 2018 or 2019. This includes senior citizens, Social Security recipients and railroad retirees who are not otherwise required to file a tax return.

Since the IRS would not have information regarding any dependents for these people, each person would receive \$1,200 per person, without the additional amount for any dependents at this time.

There is now a website for people who receive SSI to enter information to (hopefully) speed up payments. The website is: <https://www.irs.gov/coronavirus/non-filers-enter-payment-info-here>

Clicking “Non-Filers: Enter Payment Info Here” will take you from the IRS site to Free File Fillable Forms, a certified IRS partner. This site is safe and secure.

Follow these steps in order to provide your information:

- Create an account by providing your email address and phone number; and establishing a user ID and password.
- You will be directed to a screen where you will input your filing status (Single or Married filing jointly) and personal information.
- **Note:** Make sure you have a valid Social Security number for you (and your spouse if you were married at the end of 2019) unless you are filing “Married Filing Jointly” with a 2019 member of the military. Make sure you have a valid Social Security number or Adoption Taxpayer Identification Number for each dependent you want to claim for the Economic Impact Payment.
- Check the “box” if someone can claim you as a dependent or your spouse as a dependent.
- Complete your bank information (otherwise we will send you a check).
- You will be directed to another screen where you will enter personal information to verify yourself. Simply follow the instructions. You will need your driver’s license (or state-issued ID) information. If you don’t have one, leave it blank.

You will receive an e-mail from Customer Service at Free File Fillable Forms that either acknowledges you have successfully submitted your information, or that tells you there is a problem and how to correct it. Free File Fillable forms will use the information to automatically complete a Form 1040 and transmit it to the IRS to compute and send you a payment.
