Peer Support Groups
Through peer groups there is a full exchange of brainstorming, problem solving, and sharing of concerns, successes, and ways to address issues. Peer groups meet 1-2 times a month. Information about each of these groups, meeting dates, locations and contact information for each facilitator is found on our website.

Community Outreach
The Whole Person provides education on disability etiquette, including reasonable accommodations and accepted social interaction, as well as why disability awareness is important. Visit our website to arrange a presentation for your company or organization.

Accessibility
The Whole Person is committed to providing accessible information about our programs and services. We offer large print and Braille versions of our materials upon request. Additionally, accessible PDF files are available on our website, which can be used with screen-reading programs. Our website features an assistive toolbar with various accessibility tools, including a screen reader, styling options, reading aids, and translation support. If you require any assistance or have specific accessibility needs, please contact us.
