

## Services for Kansas Residents

The Whole Person (TWP) provides direct services and advocacy for Kansas residents.

### **BENEFIT ENROLLMENT CENTER (BEC)**

Providing help for low income Medicare eligible seniors and people with disabilities to identify and apply for benefit programs.

### **BLINDNESS LOW VISION EXPERIENCE**

Providing opportunities for those who are blind/low vision achieve greater independence and access to the community through outdoor activities, art and cultural events.

### **COMMUNITY EDUCATION**

The Whole Person provides education on disability etiquette, including reasonable accommodations and accepted social interaction, as well as why disability awareness is important. Visit our website to arrange a presentation for your company or organization.

### **DEAF AND HARD OF HEARING SERVICES**

Providing support and resources, and offering the assistance of specialists with extensive knowledge of Deaf culture and hearing loss.

### **EMPLOYMENT SERVICES**

Helping individuals with disabilities identify ways to improve career opportunities and find permanent, integrated, and competitive employment. Services provided through Kansas Vocational Rehabilitation (VR) services.

### **HOME AND COMMUNITY BASED SERVICES (HCBS)**

Providing Fiscal Management Services (FMS) oversight of the process of providing supports and services for people with disabilities in Kansas.

### **HOME MODIFICATIONS**

Providing physical changes to homes to accommodate for physical obstacles people experience due to their disability, and assistance with ADA compliance and design.

### **INDEPENDENT LIVING SKILLS TRAINING**

Helping individuals develop the everyday skills needed to lead a more independent lifestyle, including personal care, household management, personal finances and coping with social situations.

### **INDIVIDUAL AND SYSTEMS ADVOCACY**

Helping people with disabilities acquire the knowledge and skills to solve problems and achieve goals on their own. Advocating for the civil rights and equality of people with disabilities by influencing and implementing legislation and policy at the local, state and federal level.

### **INFORMATION AND REFERRAL SERVICES**

Providing up-to-date information on needed services and support such as adaptive equipment, transportation, accessible housing and other issues.

### **RURAL SERVICES**

Working to increase inclusion in areas with populations of 10,000 or less; from working directly with individuals with disabilities to disability awareness trainings.

### **SOCIAL SECURITY DISABILITY ASSISTANCE**

Providing support to apply for Social Security Disability Benefits, or assistance in appealing a denial for benefits.

### **THE WHOLE FAMILY PROJECT**

Providing free sign language instruction to help families better communicate with children who are deaf or hard of hearing, have speech disabilities or other such barriers.

### **TRANSITION SERVICES**

Providing information and assistance to individuals who are presently in facilities or are in immediate risk of entering State Institutions or Nursing Facilities.

## Mission Statement

The Whole Person connects people with disabilities to the resources they need by supporting independent choice and advocating for positive change in the community.

## Vision Statement

The Whole Person envisions a fully accessible community where opportunities and choices are not limited by disability.

## Peer Support Groups

Through peer groups there is a full exchange of brainstorming, problem solving, and sharing of concerns, successes, and ways to address issues. Peer groups meet 1-2 times a month. Information about each of these groups, meeting dates, locations and contact information for each facilitator is found on our website.

## Community Outreach

The Whole Person provides education on disability etiquette, including reasonable accommodations and accepted social interaction, as well as why disability awareness is important. Visit our website to arrange a presentation for your company or organization.

## Accessibility

The Whole Person is committed to providing accessible information about our programs and services. We offer large print and Braille versions of our materials upon request. Additionally, accessible PDF files are available on our website, which can be used with screen-reading programs. Our website features an assistive toolbar with various accessibility tools, including a screen reader, styling options, reading aids, and translation support. If you require any assistance or have specific accessibility needs, please contact us.
